Temperature rate 550°C.

Part No	Description
57511005	Welding Cushion 50 x 50 x 8 cm

INSULATION SLEEVES

Designed to control the cooling of hot objects.
Made from high quality materials.

Part No	Description
57501011	100 x 50 cm or pipe diameters from 15 to max. 28 cm
57501012	150 x 50 cm or pipe diameters from 29 to max. 44 cm
57501013	200 x 50 cm or pipe diameters from 45 to max. 61 cm

INSULATION BLANKETS

Designed for prevention of injuries due to contact with hot objects.
Made from high quality materials.

Part No	Description
57502310	100 x 200 cm, thickness 3 cm
57502320	200 x 200 cm, thickness 3 cm
